Attendance Rules:

- Students Getting out of GED Courses MW at 12:50PM, may be 15 minutes late to class to allow for Lunch. Eating is allowed in the classroom, students are encouraged to arrive in class with their lunch, so as not to miss important information.
- Students who regularly attend 16hrs of class each week may request 4 additional hours, which will be scheduled at the end of regular class hours (5-6pm) or through special out-of-class projects (research report, independent Fab Lab work, etc). Students will be eligible for 20 hours a week starting Week 2.
- Students are expected to communicate to instructors if they are unable to attend specific classes or times. Repeated, unreported absences will result in a decrease in allotted work hours.
- Students attending entire day's programming will be paid for their afternoon break period. Students who do not return from break will not be paid for break.
- Attendance starts when cell phone is checked in and the sign-in sheet is signed.
